**INVESTMENT SHOW “STOCKS AND JOCKS”  
RETURNS TO CHICAGO MORNINGS ON WSBC 1240AM**

CHICAGO -- With investors hoping the stock market will continue to make gains, Chicago investment experts Tom “The Chief” Haugh, chief investment officer of PTI Securities & Futures LP, a Chicago-based securities firm, and Jon “Dr. J” Najarian, founder of tradeMONSTER.com, are back on the Chicago morning airwaves with their investment show “Stocks and Jocks”. This show combines the market insight of Louis Rukeyser with the humor of Seinfeld, offering honest stock market advice and a splash of sports. They co-hosted an investment program of the same name on CBS-owned WSCR sports radio station (670AM) from 2002 to 2008.

As of February 1st, “Stocks and Jocks” can be heard on WSBC 1240AM Chicago, weekday mornings from 5:30am to 7:00am CST. With a loyal following, investors and market enthusiasts will be happy to tune in once again to hear Tom, Jon and an impressive lineup of weekly guests, including experts Kevin Riordan, Tom Shanahan and Aron Lenkowsky. Additionally, providing sports and weather is show executive producer Matt Weber, formerly of WSCR. Listeners can ask questions during the live show by calling 1-888-76-JOCKS or by e-mailing [StocksAndJocks@Live.com](mailto:StocksAndJocks@Live.com). This show streams live on [StocksAndJocks.net](http://StocksAndJocks.net) and offers archived shows for download or online listening. Shows are also available to download from iTunes.

Tom “The Chief” Haugh is the founder and principal money manager of PTI Securities & Futures LP, a money management and discount brokerage firm, noted for the successful Protected Index Program®. Haugh, who studied under Nobel Laureates Milton Friedman and George Stigler at the University of Chicago, is recognized for his extensive investment knowledge and quick wit, and is often quoted by *Reuters*, the *Wall Street Journal* and other major financial news media. In addition to hosting in-office Protected Index Program® seminars, Haugh also reaches the investment community through his weekly financial blog.

Following a brief stint as a Chicago Bears linebacker, Jon Najarian launched his decades-long financial career at the Chicago Board Options Exchange where his call letters were ‘DRJ’. Najarian is a professional investor, noted media analyst, speaker and co-founder of tradeMONSTER™. Najarian’s analysis is cited by leading financial media including the *Wall Street Journal*, *Barron's*, *Reuters*, *Bloomberg*, Dow Jones, FOX News Channel, CBS Radio, and CNBC. He is a CNBC contributor, hosts a CBS Radio show, and webcasts daily on CBOE-TV.
